Mission in the Copper Coast

Celebration is an all age worship service held each month at All Saints in partnership with Disability SA. The purchase of a versatile Clavinova is a perfect asset for these services. The cost of supporting this wonderful ministry is \$500 per year. Prayers, stories and take home handouts are printed and laminated, afternoon tea is supplied. There is a need for more percussion instruments. If your regular giving reflects your passion for maintaining God's mission in the Copper Coast, thank you.

Bible Society

The N.Y.P. Branch of the Bible Society would like to take this opportunity to thank you very much for the loyal support given to the annual Badge Days and fund raising activities we have organised in the Copper Coast area for many years. The time has come to close our local branch activities, but we ask that you continue to support the work of the Bible Society with their annual projects and various appeals. Guest speakers are available and can be contacted at our Adelaide Head Office. 82924888, to arrange this.
