

The Anglican Parish of the Copper Coast

Diocese of Willochra

Pew Sheet Sunday May 16th 2010

Today

We welcome Canon Robert Cooper from the Parish of Pontefract in the Diocese of Wakefield in the UK. Father Bob comes to the Diocese of Willochra to experience and learn about a very rural and spread out diocese. He has much to share with us about his own experiences of church expansion and growth, both within the traditional church and within the community at large.

Today

You are all encouraged to come to Christ Church Hall at 5PM to share in the Eucharist, enjoy some shared tea and conversation and meet and hear Fr Bob. This is a wonderful opportunity as this parish continues to explore mission and ministry in the Copper Coast. Invite others to come and enjoy this opportunity as well.

Refrigerators

It is often noted that things happen in threes! Within the space of a week, both Kadina and Moonta had serious problems with hall fridges. Moonta took delivery of a new fridge on Tuesday and very soon Kadina will, it is hoped, take delivery of their new fridge. Wallaroo's fridge is very old...

In most households, there are many needs to enable the household to function well for the benefit of all and this costs money. Our church plants too, require repairs and replacements to ensure that the community can benefit from the most effective ministry we are able to provide. None of this is free. Please pray, as you consider your contribution to the parish, that what you give reflects your thankfulness to God and your desire to ensure that God's love is strong in the Copper Coast and beyond.

All Saints Chatty Quilters

This small but active group of people are prolific quilt creators. As well as donating \$300 for use with the Anglicare/Families SA project, they have created a magnificent Pentecost Banner for All Saints, which will be blessed on Pentecost Sunday and they have just spent four weeks at Wallaroo Mines PS assisting a yr 1/2 class making felt hearts for Mothers' Day. In a couple of weeks they will assist a year 6/7 class in the creating of a class quilt. Every second month the Chatty Quilters use All Saints Hall and church for making quilts. What a wonderful use of talent...thank you!

Serendipity, Kerensa, Grey Gulls Community & Annie's Shopping Opportunity

The times and days of these groups are noted in your monthly calendar. These diverse groups in Kadina, Wallaroo and Moonta are all opportunities to simply drop in and enjoy varied activities, tea and coffee and conversation with others.

Perhaps you know someone who would enjoy these drop-in opportunities...invite them...bring them along...and simply enjoy.

Religious Ed at Wallaroo Mines Primary School

Please let Prue know if you are able to assist for the June 24 session of RE at the school. Two regular members of the RE team are on an extended holiday and will be away for the term 2 RE session.

ANGLICARE/Families SA Meeting

A meeting to review and revise the way we provide service to the community in conjunction with Families SA will be held in Christ Church Hall on Friday 28th May at Noon. Lunch will be provided. Please let Prue or Jeff Jones know if you are able to attend the meeting.

Pew Sheet Notices

Please be sure to advertise or inform through the weekly pew sheet. Email your notices to Tricia Stringer at dtstring@activ8.net.au or give her a call 88232525. Your news of parish/congregational past or future events, prayers for the sick and suffering or other information is important. Check your diaries each week and make sure your important news is included.
