

The Anglican Parish of the Copper Coast

Diocese of Willochra

Trinity Sunday May 30th 2010

Today

We celebrate God the Trinity, Father, Son and Holy Spirit. This is the idea of God as family, God as community, so fittingly we celebrate as a parish family, Kadina, Moonta and Wallaroo. Many people have worked to make today, wonderful worship to our Glorious God, from breakfast to blessing. May you find joy, love and peace at our worship today.

June Diary Dates

Please take the diary dates notice home today and place it where you can be reminded of everything that is happening throughout the parish.

Morning Melodies

The June program at Christ Church will feature a gentleman who is often in the audience of these concerts. Malcolm Kinch will play the bass trombone with a mixture of light classics and well known foot tappers. Malcolm and his wife Lynda, came to Kadina from the UK about 3 years ago. Both were involved in orchestras in the UK. Two KMHS Year 12 music students, Ashleigh O'Leary and Christian Edwards, will also perform, giving piano solos to enable Malcolm to have a breather. It will be a TUESDAY concert at 10 am on June 8th. Entry is \$6, with the usual delicious morning tea to follow.

RE at Wallaroo Mines PS & Moonta Area School

Assistance needed for both schools. June 24th at both schools. Please contact Prue O'Donovan if you can assist at Wallaroo Mines PS or Rosemary Appleton 88253143 for Moonta Area School.

Also consider a retreat. Application forms for the taking at the back of each church for the event from Friday 23 July to Sunday 25 July at Camp Willochra at Melrose. The conductor will be the new MU Chaplain, the Revd Dr Catherine Holt, Parish Priest of Whyalla. The Theme is 'Building Relationships.' Quite an appropriate title considering that Dr Holt was once in the building profession as an architect!

Rosters

Each Church centre provides rosters for the various ministries within that congregation. **Thank you** to the people who remember to seek replacements for the week they are unable to fulfil the roster ministry, this enables worship to move forward smoothly.

Celebration

Celebration is an all age worship service where the joy and the 'celebration' are contagious. You are all invited to participate and to bring others who may appreciate informal, lively worship.

Stewardship

As the cost of living soars, so too do expenses continue to rise for keeping buildings open and ministry ongoing. This parish is generous in providing services to the community and in upholding Christianity abroad. If you have already responded to the call to increase your regular giving by 10% a **very big thank you**. Your generosity means that this parish can continue to be generous in serving the community and those in need throughout the world.
